Will Stone 294,681 views You may have had an engine swapout when the truck was new, the new engine with 11 miles on it may have been pulled and a older engine put in it's place. There are not many of anything that you can call a Legend but the Navistar/International DT466 diesel engine has to fall into that category. If the 466 is not enduring... I have a 2006 International 4300 with a DT466. The truck works great when it works. It originally was towed in because the engine shut off on the highway. Our ...
